Softball Competition Rules in Brief (Revised 2016)

This information must be read in conjunction with 'Sport Forms', 'Sport Information' and 'Games Information' available from the website.

Slow Pitch is designed to be a mixed recreational sport, therefore, some of the rules of Fast Pitch have been adapted. The intention of this is to minimise player contact and make the game enjoyable for all. The interpretation of the rules or amendments is at the sole discretion of the Games.

One team member should be designated to learn the complete set of rules, available from the Games Office. For all other players, the following summary is intended to give a brief overview of the game.

1. Each team has a maximum of 10 players – max 5 per sex - and there must be at least 2 females both in the infield and the outfield. Sides with more than ten players may substitute players (see #2). However teams may play with as few as 8 players so long as there is a minimum of 4 per sex. Otherwise the game is a forfeit.
2. Any substitute coming into the game must play at least 1 complete innings, ie bat and field.
3. There is no sliding or tagging - runners can only be played out by the fielder having the ball at the base before the runner gets there.
4. There are safety zones marked around 2nd and 3rd bases and a semi-circle at 1st base. A runner only needs to be in the safety zone before the ball gets to the base.
5. There are commitment lines marked around 2nd - 3rd bases and 3rd - home. Once a runner crosses the commitment line they cannot return to the base they came from.
6. A team can only score a maximum of 6 runs in each innings.
7. A batter is out on the 3rd strike whether it is caught by the catcher or not.
8. A batter is out if the 3rd strike is hit foul - whether it is caught or not.
9. A team must bat male/female, alternatively in the order on the softball Score Sheet
10. The ball must be pitched in an arc - a minimum of 6 feet in height and a maximum of 12 feet.
11. If the batter does not swing at a pitch it must land on the strike zone mat to be called a strike.
12. There is a scoring line marked near home plate, the runner must cross this line, not touch home plate. The fielder must play the home plate.
13. A runner is not permitted to leave a base until the ball is hit or reaches home plate. If the ball is not hit the runner must return to the base. There is no 'leading off' or stealing bases.
14. If the pitcher pitches 4 'balls', the batter then goes to 1st base.
15. If the batter is hit by a pitched ball, a 'ball' is called on the batter.
16. The batter must stand within the marked batter's box and must be within that batter's box when they hit the ball.
17. a) A designated hitter, referred to as a "DH", may be used during the game. The DH will bat instead of one other player (of the same sex) but not field. The player that the DH is batting for will field, but not bat.
b) The DH must be listed on the Line-Up card prior to the start of the game. The DH is listed in the batting order, and the person they are batting for is listed as number 11 on the Line-Up card.
c) The DH, or the fielder they are batting for, may be replaced by a substitute who has not yet entered the game.
d) If a team starts with a DH, they must finish the game with a DH.
18. A regulation game is seven (7) innings or sixty (60) minutes, whichever occurs first. No innings shall start within ten (10) minutes of the scheduled finishing time.
19. If a game is abandoned, or deemed over, due to wet weather, darkness, not finishing within the allotted time, or for any reason, it will be considered complete if three innings have been completed, or if the game has lasted at least a half hour. The score will be as of the last complete innings, except in medal matches where the top of the final inning has been completed – in which case (conditions permitting) the bottom of the inning will be completed. If this inning cannot be completed the game will be called a tie regardless of the score and #19 applied to break the tie.
20. Ties stand in Pool Play. In the Elimination Tournament and Medal matches ties are broken as follows...
 - a) compare runs scored in the final completed inning. The team with more runs is declared the winner. If tied, then work backward inning by inning comparing runs scored in each inning until a winner can be declared. If still tied...
 - b) count the number of 'at bats' from the beginning of the game before the 1st run was scored. The fewest is the winner. If tied, look at the 2nd run and so on. If still tied...
 - c) if conditions allow, play an 'extra' inning with just four batters (teams pick their own batters). Flip a coin to see which team bats first. Each team will bat until 1 run is scored. Batters declared 'out' return to the end of the order. Count the number of 'at bats' for each team – the team with the fewest 'at bats' is the winner. If tied, count the number of 'outs'. If still tied in quarters or semis, play another 'extra' inning – in the medal games the tie stands and medals split. If conditions do not allow for an 'extra' innings then the tie stands.

GOOD LUCK!
