# 19th Australian Corporate Games Melbourne Victoria November 25-27

Join the 19th **Australian Corporate Games** in Melbourne Victoria

The Corporate Games collectively form Australia's largest annual multi sports championship. The Games is set up to encourage companies to support employees' pursuit of a more active, healthier lifestyle and each year over 20,000 Australians compete in Corporate Games nationally, with 10,000 in Melbourne alone. This is a tribute to companies that have recognized the benefits of participating in the Games, where both the company and employees benefit from getting together as part of a sporting team.

Twenty sports are offered, appealing to just about everyone. Senior managers to raw recruits get into the spirit and action of the Games. The Games also encourages family, friends and clients to take part. So many organisations enter large teams, but even if you are just one person you can enter. Everyone can be part of the team.

Contact the Games on 1300 301 418 for more information.

Circulate Games material (we have posters this year) around your workplace and to your sports and social club with your contact details or ask for the **Games CD Kit** with all the Games information in pdf files so you can electronically distribute information across all your work places. Or simply refer interested workmates to our website where all these materials are available.

If your organisation is planning a large team in the Games ask us about our Corporate Team Handbook. It's a practical and informative book on "How to Organise Your Team".
