THE GAMES FOR ALL!

October 9 - 11 2020

About the NSW Corporate Games

The Corporate Games is in its 26th year in Australia. In 2020 close to 15,000 people from over 600 companies will compete in Sydney, Brisbane and Melbourne. In NSW organisations like ReMed, Nestle, ANZ, TABCorp, Hollard and many state and local government departments, participate in the Games.

Capitalise on the Benefits of the Games

This year, fifteen 'sports' will appeal to just about everyone. The Games also encourages family, friends and clients to take part. Some organisations enter large teams, but even if you are just one person you can enter. Everyone can be part of the Games!

Talk to co-workers and encourage management to support participation in the Games by pointing out the many benefits.

- Build Team Spirit, employee unity and pride
- Bring together every level in the workplace
- Encourage fitness and a healthy lifestyle
- Meet new people and cement relationships
- Raise brand visibility with team uniforms
- Improve communication across departments and between employees and management

New to the Games?

We are here to help, so give us a call on 02 9979 1455 or drop us an email at nswcorporategames@mildrenevents.com.au and we can guide you through setting up your Team! Also be sure to visit the website at www.corporategames.net.au/nsw.

We can make your Games experience easier in a number of ways:

1. Upload your database for you so you don't have to manually enter your team information
2. Upload all of your players from the 2019 Games into GOES
3. Personalise GOES for your organisation and even configure a full or partial subsidy

Games Awards

Organisations and entrants can win prestigious Awards by accumulating Games Points for themselves and their company. The top 8 individuals, pairs or teams in each event secure points for their Organisation.

Proudly Supporting Camp Quality

The NSW Corporate Games is proud to support kids impacted by cancer and their families by donating \$1 from every entry to Camp Quality. To donate or support Camp Quality visit www.campquality.org.au.
