### *The Games for All...be part!!*

**Welcome** to the **Corporate Games**.

This is the 28th year of the Games in Australia. Each year we have welcomed 15,000 entrants competing in Brisbane, Sydney and Melbourne. They represent over 3000 organisations including Telstra, Boeing, EY, Aecom, NAB, Australia Post and many government departments.

If you have entered the Games in the past you will notice some changes to the upcoming Games.

- Mixed Soccer 6s is a winner and growing
- Our **Games Online Entry System (GOES)** is here to help you organise your teams more easily;
- **Online Accreditation** is part of your Entry Fee
- And we will be making more changes in the future, so stay tuned!

**Get Your Organisation Involved and Capitalise on the Benefits of the Games**

Fourteen Sports are offered, appealing to just about everyone. Senior managers to raw recruits get into the spirit and action of the Games. The Games also encourages family, friends and clients to take part. Some organisations enter large teams, but even if you are just one person you can enter. Everyone and anyone can be part...

Talk to co-workers and encourage management to support participation in the Games by pointing out the many benefits.

- Build Team Spirit, employee unity and pride
- Encourage fitness and a healthy lifestyle
- Raise brand visibility with team uniforms
- Bring together every level in the workplace
- Meet new people and cement relationships
- Improve communication across departments and between employees and management

The Corporate Games encourages organisations to support their employees' pursuit of a healthier and more active lifestyle.

The Games provides the opportunity for anyone regardless of their sporting ability, to play in a multi-sport championship and to remain active in sport.

For those of you who are looking at the Games for the first time we hope you will visit our website at [corporategames.net.au](http://corporategames.net.au) or give us a call on 02 8354 0216 to discuss getting your team, Tiny or Tremendous, in the Games!!

**Legacy**

In 1923, Legacy made a promise to help veterans' families carry on with their lives after the loss or injury of their loved one.

It was a simple promise that Legacy keeps today; providing the same stability, guidance and assistance that a partner would normally provide to his or her family.

Today, Legacy supports 52,000 partners and children of veterans who gave their lives or health serving our country.

Our work can mean that a child gets an education and a fair go, a widow is not disadvantaged and alone, and a family is not torn apart by the effects of Post-Traumatic Stress or other physiological injuries.

## Organisations with 'Games History'...

For 27 years Corporate Games around Australia have been the event of choice for a multitude of organisations.

The Games is proud to possess a loyal client base that has entered the Games throughout the years in three states. These organisations understand the power of the Games message and the unlimited opportunities the Games engenders.

The Organisations below represent only a small sample showing their commitment to the Corporate Games ideals.

Australian Organisations have been winning awards across the worldwide Corporate Games community for decades now!!

We lay claim to entering the top 15 largest Games teams in the world with the Queensland Government entering a staggering 1830 in the 2013 *Queensland Corporate Games* in Brisbane. ANZ have entered teams of over 1000 in the past 10 years while many other organisations have rallied numbers over 200 and 300 annually.

But remember you only need one person on your team in the Games; as the Group Championships makes it possible for even a small team to be a winner.
